Come close to living your
dream live in your
dream home.

Olympia City boasts incomparable condominium units from each of its contemporary residences. With sweeping views of the city and its interior complex, this mixed-used development brings together master craftsmanship, modern flair and time-honored architectural excellence. Nestled within the heart of Phnom Penh, Olympia City is destined to become the finest address in the Cambodian capital

Everything is within *your reach.*

The first large-scale high-rise development project in downtown Phnom Penh, created to meet the demand for high-end urban living culture.

Located in the heart of Phnom Penh, with easy and convenient walking access to the central business district and popular world-class shopping destinations.

Everything is within your reach, including hospitals and healthcare clinics, international universities, banks, shopping mall, schools and kindergarten.
